Hopefully you received our April letter and the TEACHER Information Form that was enclosed. Please **return** your Form by June 7th. The information will help us in compiling and printing an updated TEACHERS' BOOKLET for the St. Paul 150th Anniversary Celebration.

In the event that our letter was not received, please call Karen Baker at **715-853-9137, or email her at** karbaker16@tds.net, for details about the information requested on the Form. The April letter and Information Form are also posted on the 150th Anniversary page of the St. Paul website. Details are needed regarding: your teaching history; the grades and years taught at St. Paul; other teaching positions or employment; spouse, children; and grandchildren, if any. We would especially appreciate comments about the impact St. Paul Lutheran Church & School had on your life to include in our booklet.

Thank you very much for your help, and God's blessings to all.

☐ I plan on attending Total number attending _____

☐ I am unable to attend ☐ I want to support St. Paul's ministry with a special gift for its anniversary celebration.
