Dear Timothy!

Greeting to You, Your dear family and the St. Paul Lutheran Church in Bonduel!

“The Lord bless you and keep you.” Numbers 6,24

Excuse me, please, for this delayed answer! The last months were very crowded for us. We had a complicated year... In the beginning of the year we began the new stage of the church renovation. Despite of the pandemic, we continued until July, with a short break in May. We're finished the consolidation of the foundations, the reconstruction of the walls and the general roof renovation: tower and church. And in autumn – the continuation of the applications writing for new funds. Our rich Lord blessed new opportunities and we are very thankful!

In the spring began my mother's health problems, we tried to take care of her, with the help of the doctors, but our Lord decided to call her and for us began another not easy period, we learn to live without her...

Thank You very much Your love, for the new offering for us, our congregation and family! It is very precious for us!

We tried to make an estimate about the best solution for a new chimney, it looks so that we can not more finish this work in this year. We need first renovate the woodshed's roof. But now can we extend an actual chimney, that works not good, because we changed the cauldron.

The last Monday I did a first funeral in Butin for one woman, victim of the virus. The number of the participants is limited to 6. Very gloomily...

On third Sunday in Advent we sing with the Youthchoir in the church in Nadlac and after Christmas we organize an excursion of the Youth from Nadlac to Butin.

Thank You for Your support, please say hello to Your dear wife Nancy and to all children!

Blessings,

Dusan
