# Race For Education

The PTL members are working diligently to get the Race for Education letters out. Your kids will be decorating and signing the letters before they are stuffed and mailed!

This week you will see a stamp donation request coming home with your oldest child. Every year we ask for a donation of stamps (or money to purchase them). This helps offset the cost of postage when sending the RFE letters. Please consider donating and sending back by **Monday, September 11th**. There is also a form attached to the back of this note.

**The Seventh Commandment  
You Shall Not Steal.**

No, I am not talking about “around the bases”, but in life. Even when you are “joking” around with friends, stealing goes against the good that God wants in our lives. Be it stealing answers in school, equipment out of a bag or food that we did not bring to school. Stealing, or taking without asking, is not part of God’s plan and our students and athletes should rise to this challenge.

**Quote - "Taking on a challenge is a lot like riding a horse, isn't it? If you're comfortable while you're doing it, you're probably doing it wrong."**
