Thought of the Week:

Faith is the word that describes the direction our feet start moving when we find that we are loved. Faith is stepping out into the unknown with nothing to guide us but a hand just beyond our grasp.
 -Frederick Buechner

Hard Hat Recipient of this Week

Alexis Kolaske - 4k

Lexi comes to school with a smile on her face and kind words for her friends. She keeps her work area clean and her work is always done neatly.

Lexi is a great friend. She was recently seen trying to keep her classmate safe on the tire swing on the playground. Her words were very kind. Thank you Lexi.

Keep up the good work!
