The **GREATEST** gift of all given was Jesus Christ himself. We all know John 3:16, "For God so loved the world that he **GAVE** his only Son, that whoever believes in him should not perish but have eternal life." Nothing could be better than eternal life! The verse **CONNECTS** us to Him.

One of the most important Bible passages is Romans 8:28, "And we know that for those who love God all things work for good, for those who were called according to His purpose."

Teach this verse to your children. Why? Because life is messy, there is hardship, pain, and suffering. They will deal with temptation, evil, calamities, peer pressure, and all the fear the world brings to them. This is where the verse from Romans comes in - when all the above is happening it is in line with God's plan for us.

I asked a class the other day why God gives us all the above and one boy answered, "To make my faith in God stronger, and assist in my growth as a person of God." He nailed it!!!

Your child's (and your) love and trust for God will grow when they understand that having a bad day is part of God's plan. When they trust in the Lord, good will come from bad days.

Many Blessings,
Mr. Landgrave

A WORD FROM WOLF RIVER:

A week ago we held our 8th grade visit day for our Lutheran elementary schools. Watching 60 8th-grade students interact with our Wolf River students was so exciting! As principal, I ask myself “Why?, why don’t the students in our four Lutheran elementary schools continue their Christian education at Wolf River?” Seeing our classrooms, hallways, commons, and the gym filled with so many students today was truly AMAZING! Wolf River has so many things to offer the students from a Biblical worldview curriculum, and extracurricular activities, to building one’s faith in our loving Lord Jesus Christ. So my question to each of you is “Why don’t students continue their educational journey at Wolf River?” I would like to have your help with leading other families to Wolf River. I truly believe that together we can make this happen! Wouldn't it be amazing to have a freshman class of 60 students next? Have a wonderful week in the Lord.
