Registration for the 2024-2025 School Year

Dear Parents,

As we approach the end of the current school year, we are writing to inform you about the re-enrollment process for the coming academic year.

Firstly, we want to express our gratitude for your continued support and trust in our school. We have strived to provide your child with the best possible education. Our faculty and staff have worked tirelessly to ensure that our students have access to a safe, nurturing, and Christian learning environment.

As we plan for the next school year, we want to ensure that your child's education continues to be our top priority. We ask you to re-enroll on Fast Direct by Friday, April 12th. If you are not able to utilize the Fast Direct registration, complete the form below and turn it into the school office. Please note that failure to complete the re-enrollment process by the deadline may result in your child losing their spot at our school.

Tuition fees for the 2024-2025 school year are listed below. Please note that St. Paul does not want finances to keep a child from obtaining a Christian education. School Choice vouchers may be an option (<https://dpi.wi.gov>). Those already part of the school choice program DO need to re-enroll. If you have any concerns about re-enrolling your child, need additional information, or have concerns regarding financial assistance, please do not hesitate to contact our school office.

Thank you again for your continued support and trust in our school. We look forward to welcoming your child back for another successful year.
