## November Chapel Offerings

The Lutheran Heritage Foundation is an organization that translates and publishes Lutheran resources around the world. We are specifically supporting their "Set Free by Jesus" project that send bible books to families in West African countries like Liberia and Sierra Leone - IN THEIR OWN LANGUAGES!

The Paul Mroczenski Family - Vicar Mroczenski will be serving in Puerto Rico beginning in January of 2025 for a two year placement to assist the Lutheran church there. He, along with his wife, Courtney, and their newborn daughter, are currently learning Spanish and , because their LCMS vicarage is considered international, they need to raise funds to support their travel and their living costs to sustain them while serving there until 2027.
