3:00-4:00PM	Alumni Church Service

Activities: history presentation, tour of facilities, picture taking, time for sharing

Name Tags will be color coded for division into groups. Depending on how many plan to attend, there will likely be either four or six groups. Each group will have a leader to take them from place to place.

Possible groupings if we have only 4 groups. If more than 200 come, we will definitely have 6 groups. *

Group 1: those who graduated from St. Paul Lutheran School in the 30s, 40s, and 50s

Group 2: those who graduated from St. Paul in the 60s and 70s

Group 3: those who graduated from St. Paul in the 80s and 90s

Group 4: those who graduated from St. Paul from 2000 to the present

*We will attempt to have approximately the same number of people in each group, so the years listed above may need to be adjusted. The committee won't be able to color code the name tags until a week or so before the event when we should have most of the RSVPs.

The teachers will be placed in the groups according to the students they had while they were teaching here. A "Teacher Booklet" is going to be printed with contact information, teaching experience, comments, and photographs (where available).
